

Good evening friends, families and graduates.

KG2

It feels like just last week to me when you entered KG2, excited to learn your ABCs ..., play with friends at recess and experiment with finger paint and many other things, but now hopefully you have mastered all of these skills.

I'm sure all of us have our own fond memories of this year that we will hold close to our hearts. The one thing I will miss most is our Sunday mornings when you used to entertain me with your weekend adventures, and I used to witness your story of the week.

I would like to thank your children for becoming as dear to me as my own, each one of them has left me with memories that I will cherish forever.

I would also like to thank Miss Rahaf, for making my memories extra special with her ever so cheerful smile.

Have a wonderful summer everyone and I hope to see you all safe and sound very soon.
